

DAN CLARK'S

AUDIO/VISUAL REQUIREMENTS

Dan Clark does more than speak! With your help, he will utilize his many talents to powerfully connect with your audience and put on an unforgettable presentation!

DAN NEEDS:

- A hand-held cordless microphone (microphone with 50 to 100 foot cord is also acceptable; Dan prefers not to stand behind a podium/lectern and not to use a lavalier microphone).
- A VHS Video Projection System to project a short movie clip during Dan's speech; Dan also has the clip available on DVD or Beta SP formats.
- If you have any questions or concerns, please feel free to call our office at 800.676.1121.
